January 20	Lauku Avīze	Vēl viens rekordpelnītājs Review on the salaries of politicians and people from financial sphere.	A11	0
May 5	NRA	Skandināvu ģimene orandžajā vannā Privatisation should be in interests of all society, not one group.	A11	+1
May 6	NRA	Politiskie Latvenego labirinti Should <i>Latvenego</i> be privatised at all? Everyone should have rights for privatising, it not only some influential financial groups.	A11	+1
May 14	NRA	Nabadzīgie kļūst vēl nabagāki Statistics indicates that almost 82% of population live in poor conditions, but politicians in contrast become wealthier.	A11	+1
February 8	NRA	Guliet pilsoņi mierīgi Problem of increasing poverty in the country. Government presents false data about poverty and does not discuss and solve real problems.	A11	+1
May 4	NRA	Ierindnieku valsts svētki Political elite was not the only who fight for independent Latvia. It was whole nation.	A11	+1
June 9	Dienas bizness	Vienotā uzraudzība - steidzams solis Critique of the Bank of Latvia and its wish to be the 'surveillance' institution over banks, stock market and insurance companies.	A12	-1
June 11	Dienas bizness	LB un FM līdzšinējā rīcība liecina, ka lata devalvācija kļūst arvien reālāka Activities and decisions of Finance Ministry and Bank of Latvia indicates that devaluation of national currency can happen in the nearest future.	A12	-1
February 15	Dienas bizness	Treknie uzraugi The bill about unitary surveillance of financial market (insurance, bank system, stock market)	A12	-1

		is premature and unconsidered. It can undermine all financial system.		
February 14	Jaunā Avīze	Apnicis spēlēt "aklās visticīnas" Government should think more about how to develop economy, business, because many people are poor, they are unemployed.	A12	+1
June 15	Lauku Avīze	Prezidentu nedēļa Elected president won't change economic situation. People should work themselves (and not wait for help) in order to develop economy.	A12	-1
April 15	NRA	Par bezdarbu un ne tikai. About increasing level of unemployment. Government should not think about establishment of new public institutions, but the same finances should use to solve existing problems.	A12	+1
May 22	NRA	Visi savās vietās, izņemot hokeja izlases treneri Role of sport in Latvia. There should be more professional sportsmen, and state should give more finances to sport.	A12	+1
May 5	Diena	Naglis valdības ritenī Privatisation in Latvia has become under influence of economic interest groups, where each works in their own interests.	A13	-1
May 12	Diena	Kad roka roku nemazgā Resign of Minister of Economy is because he did not do orders made by economic interest groups.	A13	-1
February 5	Diena	Bubuļi un ļimoni Instability of government is caused by differences of economic interests in the coalitions.	A13	-1
March 7	Diena	Ar invalīdu ratiņiem pret birokrātiju Economic interests should not prevail over health care.	A13	-1
April 12	Dienas bizness	Taupība vai atriebība. Is an issue of abolishing two positions of ministers useful, or some political forces use it for their private interests?	A13	0
April 28	Dienas bizness	Valdībai nav jāpakļaujas šantāžai. Big and influential enterprises are blackmailing government. The government should not do favour to only one economic group.	A13	-1

April 30	Dienas bizness	Labāk Kamaldiņš nekā kaķis maisā. Economic interests should not prevail over election of political position, in this case SAB.	A13	-1
May 13	Dienas bizness	"Ierindas" uzņēmējgrib strādāt, nevis tirgoties The economic interests of politicians should not influence law making.	A13	-1
May 21	Dienas bizness	Hameleonu rotaļas More often economic interests influence political decisions.	A13	-1
May 25	Dienas bizness	Politiskā nestabilitāte grauj ekonomiku Political instability influences economy in Latvia. Private interests of opposition should not swing government.	A13	-1
June 17	Dienas bizness	Latvijas prezidents: Guntis, nevis Kārlis Elections of president in Latvia. President should be neutral to economic interest groups in Latvia.	A13	-1
January 19	Dienas bizness	Kāpēc rāvās pie varas Most of politicians want to be in influential political posts in order to fight with their economic competitors. Economic interests should not prevail.	A13	-1
January 27	Dienas bizness	Nāvējoša privatizācija <i>Latvenergo</i> should not be privatised completely as it is proposed by Privatisation Agency (PA). This case reveals that PA does not work in interests of state.	A13	-1
February 8	Dienas bizness	Investīciju platā straume Latvian government should be more reasonable with selling state enterprises to foreign private investors.	A13	-1
February 22	Dienas bizness	Apmelotāju ceļš Economic interests around privatisation of state monopoly – <i>Latvenergo</i> .	A13	-1
February 28	Dienas bizness	Iespēja uzdzīvot par 2000 miljoniem There is again competition among parties - who will make program for regional development in Latvia. They are not interested in regional development, but in finances which come from EU.	A13	-1
March 14	Dienas bizness	Opozīcijā - sabiedrība Society should participate in referendum against privatisation of the biggest energy supplier <i>Latvenergo</i> . Privatisation of <i>Latvenergo</i> indicates that government and parties do not work in interests of society.	A13	-1

March 30	Dienas bizness	Saeima ir lieka. Viss izlemts Although the bill for financing new National Library has not been accepted and other alternatives have not been discussed in parliament, there has appeared job offer for “project manager” post. It indicates that parliament is weak in front of economic interests.	A13	-1
May 4	Jaunā Avīze	Nagļa un Lemberga otrais raunds Conflict about director of Privatisation Agency reveals that prime minister acts according to interests of one of economic interest groups.	A13	-1
May 5	Jaunā Avīze	Citplanētiešu nedarbi Treaties among parties with different ideologies leads to think that underneath there are economic interests.	A13	-1
May 13	Jaunā Avīze	Dūmu aizsegs sāk gaist Conflict in the governmental coalition reveals more and more decisions, which has been made according economic interests.	A13	-1
January 18	Jaunā Avīze	Tauta vai melnie kardināli About power division in Latvia - mostly economic interest groups influence which person will get the post.	A13	-1
January 18	Lauku Avīze	Uz kuru ostu? Critique of the conflicts of the government, because cause of them are economic interests.	A13	-1
April 17	NRA	Nebeidzamā cīņa Society is striving for survival, but some politicians have a fight for economic influence. They fight for their interests in the state monopoly <i>Latvenergo</i> .	A13	-1
May 10	NRA	Svētie okupanti Chosen policy - in this case Language Law - should not be changed for sake of interests of foreign investors/	A13	-1
January 13	NRA	Ķilda smilšu kastē Conflicts of economic interest groups in Latvia, from which many other people are dependent.	A13	-1
February 5	NRA	Kam patīk padotais ar aizmuguri? Conflicts in government because of the post of Director of Privatisation Agency.	A13	-1
February 14	NRA	Kopīgās intereses vieno atšķirīgi domājošos Although officially presented, in reality ruling parties have no differences in their ideologies.	A13	-1

		Their voting and decisions in many cases do not correspond to their ideologies. They have their own economic interests that unite all parties.		
February 16	NRA	Pār novadu novadiem Reform of administrative regions in Latvia is made in big rush and it is visible that underneath are economic interests of politicians who will get some benefit from EU finances for regional development.	A13	-1
February 24	NRA	Latvenergo privatizācijas spēles The strategically significant enterprise <i>Latvenergo</i> should not be privatised. Options of privatisation process reveals that privatisation of <i>Latvenergo</i> is significant for particular economic interest groups.	A13	-1
February 28	NRA	Privatizācijas "selektīvā" dzirde Privatisation should not be done in rush, it should be reasonable. Politicians try to finish privatisation of big enterprises because of their own economic interests.	A13	-1
March 4	NRA	Cerību stariņi un veci kašķi Development of Latvian economy suffers from conflicts among parties in government coalition and their economic interests.	A13	-1
March 7	NRA	Valdības sāpīgā varžacs Conflicts around director's post in Privatisation Agency and his 'convenience' in this position.	A13	-1
March 11	NRA	Sagandēt pat svētāko ideju Politicians are thinking too much about their private interests, not about society, not how to develop state economy.	A13	-1
March 13	NRA	Politiskā lirika bez taustāma rezultāta Politicians should think more about state interests, develop economy, not about their personal economic interests. Criticising each other (one party the other one) does not lead to any solution.	A13	-1
January 31	Diena	Tehnoloģija un ekonomiskā augšupeja Economic growth is very much dependent on new technologies. European Central bank should also pay attention to it, not only to inflation and budget. That's the reason why Euro is decreasing.	A2	+1
May 28	Dienas bizness	Ja bise pielādēta, tad tai ir jāšauj?! The Free trade Agreement between Baltic States should be reviewed and more attention should	A3	-1

		be paid to production of Latvian farmers.		
June 2	Dienas bizness	Neiesaldēsim eksportu Decrease of budget expenditures can solve crisis in financial situation, in economy. Government should promote export.	A3	+1
May 6	Lauku Avīze	Vai klausīsies pagastu valodu? There should be more protection of Latvian agricultural products.	A3	-1
May 8	Lauku Avīze	Zemnieki pagaidām vēl nedumposies Farmers require government to review possibilities of protecting agricultural products in Latvia.	A3	-1
May 11	Lauku Avīze	Vai šodien ūdens sakustēsies Import of pork and other meat in Latvia should be limited.	A3	-1
May 27	NRA	Bekoniņš no ulmaņlaikiem Although there should be a Free Trade Agreement among the Baltic States, there should also be regulations to protect Latvian agricultural products.	A3	+1
May 29	NRA	Suķu dienas There should be some mechanism to protect domestic agricultural products.	A3	+1
April 7	Diena	NVS atsakās no dzelzs priekšskara Weakness of CIS – integration should be based on economic grounds, not military.	A4	+1
April 26	Diena	Jauna Eiropas sadalīšana European Reconstruction and Development bank's investments in Eastern Europe and future plans.	A4	+1
June 29	Diena	Trešā ceļa uz tirgu nav Comment on the mechanism of market economy with examples from USA.	A4	+1
March 2	Diena	Vecum vecā tradīcija – rindu kultūra Transport administration should think about different system for distributing monthly tickets. They should think also about conveniences of people and possibilities when people can get these tickets.	A4	+1
March 14	Diena	Nodrošinājums godīgumam Analysis of the stock market – which is transparent and qualitative.	A4	+1

January 25	Diena	Eiropas Centrālā banka un augšupeja Eiropā Economic growth in EU cannot be achieved artificially, but only with help of good production.	A4	+1
May 26	Dienas bizness	Kā iztukšot seifus People do not trust to commercial banks, therefore there are no turnover and thus economic development.	A4	+1
May 27	Dienas bizness	Novēlots, ber neizbēgams solis Finally government has acknowledged that country has economic crisis. Government should try to promote development of positive environment for private investments.	A4	+1
June 1	Dienas bizness	BB nauda nāk īstajā brīdī People receive back compensation from bankrupted bank BB. Unexpected money can increase turnover in the market.	A4	+1
May 7	Dienas bizness	Mazajiem akcionāriem paliek tikai parādi The investors in the stock market should be honest. Small investors become losers in the games of big investors.	A4	-1
January 25	Dienas bizness	Mazajiem likumīgas iespējas aizstāvēties Positive review of the law about joint stock companies which guarantees more influence for small share holders.	A4	+1
March 10	Jaunā Avīze	Solis attīstības virzienā An improvement of system for credits of small enterprises.	A4	+1
March 30	Jaunā Avīze	Ekonomikas rādītāji vieš cerības Statistic data indicates that Latvia has overstepped economic crisis, and there is some development.	A4	0
June 4	NRA	Visbriesmīgākais vārds Government and parliament should think how to promote economic development, not just talk about some stability.	A4	+1
March 6	Diena	Drūzmēšanās pie skolu durvīm Government's attitude towards educational system has caused public distrust to quality of education. Government should provide equal conditions to all schools, not regarding whether the school is in country or in capital.	A5	+1

May 4	Dienas bizness	Labāk kaut kas nekā nekas Pensions has been increased just by few santims. State should find more resources for pensions.	A5	+1
January 3	Dienas bizness	"Laba" skola Critique of the government's work, of the law of pensions.	A5	+1
February 9	Dienas bizness	Pasaules Bankas pēķšā atklāsme Reform of pension system has proved that the innovations have been unconsiderable.	A5	+1
May 7	Jaunā Avīze	Pensiju fondu izveide tikai sākumstadijā There should be developed more pension funds in Latvia.	A5	+1
April 14	NRA	Ātrā kaulēšanās ar nāvi. About the fee for the first aid. There should be improvements in the system of health care.	A5	+1
May 18	NRA	Skola sit pa galvu Education is a future of the state. State should think about qualitative education. It is also dependent on finances - salaries for teachers, new textbooks, etc.	A5	+1
February 4	NRA	Hipokrats plīvina balto karogu There should be more clear and reasonable mechanism of health insurance	A5	+1
February 9	NRA	Varbūt mums nav nevienu nabaga? There is a great level of poverty in Latvia, but Ministry of Welfare does not acknowledge it.	A5	+1
June 14	Dienas bizness	Kā bija un kā ir State should think about subventions to the products made in Latvia. It should introduce anti-dumping system.	A6	+1
June 3	NRA	Protestēsim pret īstajiem neliešiem There should be more state subventions to the agricultural products in Latvia.	A6	+1
April 21	NRA	Augstākā izglītība vēl kunkst. Higher education should be financed by state budget, in order to have equal rights to education for everyone.	A6	+1
April 6	Jaunā Avīze	Un tik vālē, un tik mālē. Critique of the government's uncertainty in agricultural (milk) policy, unequal distribution of budget. More subventions should be given to agriculture.	A6	+1

March 8	Jaunā Avīze	Studentiem palīdz mācīties Comment on student options for financing their studies.	A6	-1
January 8	Lauku Avīze	Kalvītis: tikai reformas nodrošinās attīstību There should not be just state financed agriculture, there should be developed, competitive agriculture.	A6	-1
January 15	Lauku Avīze	Subsīdijas jāpiesien vidējām saimniecībām Prime minister comments on state subventions, which should be given to middle size farms.	A6	+1
February 1	Lauku Avīze	Par īsiem darbiem un garām runām Farmers should change their farming methods etc. They should not rely only on the state subventions.	A6	-1
February 17	Lauku Avīze	Milzīgi parādi. Crisis in agricultural sector.	A6	0
May 21	NRA	Galējie līdzekļi - stimuls valdībai un Saeimai Parliament's inability to accept law for protecting swine-breeding in Latvia.	A6	+1
January 20	NRA	Skolotāja izdzīvošanas ābece Critique of the government's policy towards teachers' salaries. Salaries should be higher then 58 LVL (about 98 USD). It is not the amount to survive with.	A6	+1
March 1	NRA	Rūgtais cukurs Latvian government should protect products of local enterprises, not blindly accept any foreign investors.	A6	+1
January 21	Diena	TV abonementmaksu gaidot Latvian TV is a public TV and it is financed by state budget (taxes). It should not introduce one more tax - monthly payment.	A8	+1
January 11	Dienas bizness	Nē - progsīvam nodoklim Ineffective laws always encourage finding the ways how to escape them. The 'progressive' tax should not be introduced.	A8	+1
January 17	Dienas bizness	Dubulta samaksa Latvian public TV should not be financed by additional subscription fee, because it is already financed from state budget.	A8	+1
March 2	Dienas bizness	Lieliem investoriem liela palīdzība	A8	0

		Government should promote development of small enterprises. They should have different taxes than the big companies. Present situation indicates the fact that small enterprises are looking for ways to escape from taxes, not to pay taxes at all.		
March 9	Dienas bizness	Nē – papildu nodoklim! Current government is increasing economy by introducing new taxes. It is not the way to overstep crisis.	A8	+1
March 10	Dienas bizness	Meli un demagoģija Absurd of the building new National Library and new tax introduction.	A8	+1
March 15	Dienas bizness	Par vai pret tautu? Both – those who support idea of building new National Library and those who do not are against introduction of mandatory “donation” – 2,5% tax of electricity. People are not against library, but against unfair financing of project, because this “donation” won’t be equal for every member of society.	A8	+1
April 1	Dienas bizness	1.aprīļa baumas Humoresque about work of the government and their tendency to introduce new taxes.	A8	+1
April 6	Dienas bizness	Joks caur asarām. Critique of plan to introduce atonement to public TV. Public TV should be for free, paid by existing taxes, not adding new kind of tax	A8	+1
April 23	Dienas bizness	Piesmacēsīm godīgos! The income taxes should not be raised. They will influence those who pay taxes, but won't change situation with those who do not pay.	A8	+1
April 29	Dienas bizness	Deficīts? Ieviesīsim jaunu nodokli. Budget deficit should not be fulfilled with invention of new tax. There should be found new ways of increasing state budget.	A8	+1
May 31	Dienas bizness	Represijas nelīdzēs State budget should not be increase by adding more taxes. More attention should be paid to increase of export.	A8	+1
February 10	Dienas bizness	Nodokļi - galvenais inflācijas dzinējspēks Prices have increased, because there are too high taxes and it does not promote development of whole economy.	A8	+1

February 11	Dienas bizness	Valdība ņirgājas par biznesu! Government invents 15% tax for companies' cars. This tax is not promoting development of legal business.	A8	+1
February 14	Dienas bizness	Premjers sirgst ar mercedesofobiju Prime minister's ideas of introducing new taxes for business trips, use of companies' cars are absurd.	A8	+1
February 24	Dienas bizness	Simts pret miljonu Local businessmen try to find ways to hedge from tax paying, because of too high taxes.	A8	-1
March 21	Dienas bizness	Cik garš, tik plats! Discussion about building new National Library. This new tax could also negatively influence all investment climate in Latvia.	A8	+1
January 14	Jaunā Avīze	Televīzija tuvāk kabatai Council of National Radio and TV wants to introduce monthly payment.	A8	0
January 7	NRA	Ne vienmēr pats savu laimi kalsi There should be more order with social tax paying. Employers should pay social tax and employees should require it.	A8	-1
April 13	Jaunā Avīze	Atvadas no kara reklāmas tirgū Critique of the idea about monthly payment for public TV, which is already financed by taxes. There should not be introduced new tax.	A8	+1
April 19	Jaunā Avīze	Griezienķezaru greizie bliezieni Critique of the payment of public TV. Public TV should be for free.	A8	+1
April 3	Lauku Avīze	Televīzijas pirkstiņi jūsu kabatā About idea to introduce abonements for public TV. Public TV is already financed by taxes.	A8	+1
April 29	Lauku Avīze	Vēl viens nododklis uzņēmējiem Government wants to introduce one more tax for employers. Introduction of new taxes should not increase state budget.	A8	+1
May 7	NRA	Meklējot vainīgos, aizmirstam krāpniekus Not enough attention is paid to enterprises that do not pay taxes.	A8	-1
June 12	Diena	Benzīntankiem būs loma Krievijas vēsturē Comment on economic crisis in Russia and propagandistic announcements by politicians,	A9	0

		which are not possible to introduce in reality.		
April 20	Diena	Skats no Vašingtonas Planning of NATO anniversary and discussion on NATO future.	B1	0
April 22	Diena	Ne tikai atceres svinības, bet arī apliecinājums. Justification of NATO operations in general and praise of their operations in Kosovo.	B1	+1
April 23	Diena	NATO pašos spēka gados? Critics of NATO in Balkans, doubts about its future.	B1	0
April 24	Diena	NATO un Latvija Latvia's integration in NATO - one of the main foreign policy goals it should achieve.	B1	+1
April 27	Diena	Piektkārt, Latvija Government of Latvia has done little to be prepared for joining NATO. Political officials are too optimistic in their reports. More attention should be paid to real improvements.	B1	0
May 7	Diena	Rumānija, Serbija un pareizticīgo brālība Analysis on Romanian and Serbian unity against NATO during last year.	B1	0
January 3	Diena	Eiropa dalās savējos un neērtajos About security system in East Europe in the coming century.	B1	0
March 1	Diena	Francija un Latvija. Vienotas Eiropas Drošības un aizsardzības meklējumos Latvia on the way to NATO – options and reality.	B1	+1
April 23	NRA	Latvija un NATO pagaidām vēl nesavienojas. Doubts about NATO interest in the Baltic states. Latvian government should rely on its own forces and use diplomacy towards threats of Russia.	B1	-1
April 27	NRA	Vai NATO saprātīs aizsargus. Discussion about Latvia's options to join NATO. Latvia should strengthen its domestic forces. NATO is not achievable goal in the nearest future.	B1	0
June 7	Diena	Ķelne Kosovas ēnā Discussion on need for EU security system or army.	B2	0
June 15	Diena	Apātija eirovēlēšanās Comment on little support from citizens in EU Parliament elections.	B2	0

January 22	Diena	Kas maksās par ES paplašināšanu Problems and barriers of EU enlargement - either from EU side or candidate countries.	B2	0
February 9	Diena	Starta līnija Latvijai Latvia starts negotiations with EU.	B2	+1
January 21	Dienas bizness	Uz papīra Eiropā Legislation concerning EU should not be changed only 'on the paper' , but implemented also in reality.	B2	-1
March 29	Dienas bizness	Proeiropeiskās sankcijas The economic sanctions introduced by Russia will more promote Latvia's economic integration in EU.	B2	+1
March 31	Dienas bizness	Politiskais pieaugums Government has announced that NGP has increased during 1999, although Latvia suffered from economic crisis in Russia. This is a play of statistic data and it becomes a political game – politicians are interested that Latvia according to statistic data looks good for EU.	B2	0
January 17	Jaunā Avīze	Portugāles ES prezidentatūrai tālejoši mērķi About priorities of EU during Portugal's presidency.	B2	0

March 7	Dienas bizness	Valūtas fonda republika Economy is no developing in Latvia, and its future does not seem optimistic. Politicians should think more about developing economy and state at the same time. They should not blindly accept any innovations by Word Bank.	B3	-1
March 4	Diena	Štata Ādamsons Contradictions of the investigation of Latvian politicians who used to work in secret services of USSR. These people should not be in current parliament.	B6	+1
February 7	Diena	Lustrācijas lieta Perons who used to work in secret services in USSR should not be in influential positions.	B6	+1
April 30	Diena	Historia magister vitae History of Latvia should be taught at schools as a separate subject, not as a part of World History.	B6	+1
June 14	Diena	Komunistiskā terora upurus pieminot People should remember June 14, the day when thousands of people were sent to Siberia, who became victims of communist terror.	B6	+1
February 21	Diena	Precīza žestu valoda B.Jelcin refuses Order granted by Latvia. As reason he mentions discrimination of Russian speaking people and court trial against communist terrorist Kononov. The refusal letter implies	B6	+1

		Russia's wish to control Latvia, to have Latvia as a province of Russia.		
June 16	Diena	Latviešiem Latvija ir viņa Eiropas centrs Latvians should be patriotic about their country, should be proud of it.	B6	+1
June 7	Dienas bizness	Specdienestu spēlītes Critique of a secret service in Latvia. They should work more effectively.	B6	+1
January 14	Dienas bizness	Vieglprātīgais premjerministrs Hackers can easily access the Web Pages of Government. Security should be stronger and safer. Government should be more serious about this issue.	B6	+1
June 9	NRA	Specveikals spiegiem Critique of the work of the secret services. It should take more care of state security.	B6	+1
June 29	Jaunā Avīze	Ordenis kā Latvijas pateicības un cieņas simbols National Order should be granted to any person who gets president's post.	B6	0
April 6	Lauku Avīze	Dažas domas par ordeni Discussion on the official awards (Order) of Republic of Latvia.	B6	+1
June 5	Lauku Avīze	Ordenis prezidentu jau gaida Discussion on the state Order - to whom and when is should be granted.	B6	+1
January 4	Jaunā Avīze	Innocent until proven guilty About war crimes against Jews. Latvian institutions should do more to emphasise that one persons quilt in holocaust is not a guilt of whole country. Latvia as a state did not exist as it was occupied by Germany.	B6	+1
January 20	Jaunā Avīze	Vēlreiz izjust 1991.gada vienotību Review of the days in barricades in 1991. All people there strive for independence. We should remember this day.	B6	+1
April 20	Lauku Avīze	Caur meliem pie Latvijas pilsonības How history of Latvia and loyalty to Latvia is interpreted by Russian speaking community leader.	B6	+1
February 24	Lauku Avīze	Saeimas un citiem vēstures nezinīšiem June 17 should be acknowledged and remembered as Latvia's occupation day by Russia in 1940.	B6	+1
March 21	Lauku Avīze	Vēsturi no kalendāra neizsvītrot	B6	+1

		March 21 should be remembered, because thousands of people from Latvia were sent to Siberia on that day. They were the victims of communist terror.		
March 25	Lauku Avīze	Tautas sāpju atceres vainags Remembering day when people were sent to Siberia.	B6	+1
March 28	Lauku Avīze	Vēstures apliecinājums People should acknowledge that June 17 is the starting day of Russian occupation in Latvia. This day should be remembered.	B6	+1
June 15	NRA	Dīvas dienas jūnijā We should be clear about Latvia's history during the WW II and we should teach the history in the schools.	B6	+1
June 22	NRA	Māte starp citām History teaching at schools. Society should pay more attention to it.	B6	+1
March 16	NRA	Nešķērdēsim tautas spēkus! Discussion about interpretation of the World War II and Latvians who were taken in both armies - German and Russian (Soviet).	B6	+1
March 25	NRA	Ceturtdienas radioraidījums Saeima Discussion about Latvia's history during the World War II.	B6	+1
February 10	NRA	Nu, labi, pavaicās. Bet vai uzklausīs? Politicians should take into account public opinion. They usually pretend to listen to public, but actually do what and how they want.	B6	+1
January 31	Jaunā Avīze	Latvijas rūgtie panākumi Economic development of Latvia is just on paper, but not in reality. Many reforms has gone wrong way. There should be more effective regulative system.	B6	-1
March 23	Jaunā Avīze	Studenti pēc pasūtījuma Council of higher education has developed 'demand' for specialities in higher education institutions.	B6	+1
May 25	Lauku Avīze	Lielfermām pa latam, pārējiem - p...? There should not be abolished small agricultural enterprises, because it also causes increase of unemployment.	B6	-1

April 9	Jaunā Avīze	Valsts noslēpums ar grifu "pilnīgi atklāti". Critique of the secret service in Latvia. It is too untransparent where it should be and too open where it should be secret.	B6	+1
April 27	Jaunā Avīze	Gribi investīcijas - nerunā latviešu valodā Critique of the prime ministers attitude towards language law, he should not be that obedient to foreign investors.	B6	+1
May 17	Jaunā Avīze	Pats segloju savu kumeliņu The prime minister toady too much to Russia and other countries. There should be more of national proud, state interests.	B6	+1
June 10	Jaunā Avīze	Valodai vienalga, vai to saudzē Loyalty towards state can't be achieved with help of law. Thus politicians should not use Language Law for sake of their interests.	B6	+1
April 27	Lauku Avīze	Privātuzņēmums! Šeit latviski nerunā. Language law. State language should be used in most spheres - also private enterprises if they have to communicate with people from outside.	B6	+1
April 17	Diena	Paralēlais premjers Discussion on presidential elections and prime minister in Russia.	C1	0
May 10	Diena	Nepazaudēt skaidrus mērķus Politicians and all society should follow their goals - to develop democratic state, to maintain peace.	C1	+1
May 13	Diena	Primakovs Jelcinam lieks Comment of reasons why B.Jelcin dismissed prime minister and government.	C1	0
June 1	Diena	Vai Krievija ieguvusi divgalvainu valdību Comment on current political situation in Russia – it is unstable and unanticipated.	C1	-1
January 5	Diena	Gāzēji turpina General Prosecution should not be dependent on parliament (as it is planned in the new law, new reform). Authors of the reform of General Prosecution are undermining existing system.	C1	+1
January 11	Diena	Spiedīgs laiks Reformators of the legal system are undermining basis of the state.	C1	+1
March 13	Diena	Krievijā vai nu revolūcija vai diktatūra	C1	0

		Comment on Russia's political and economic situation over history – it has either dictatorship or revolution.		
April 16	Diena	Reģionālās partijas Latvijā There should be restriction of emergence of small, regional parties. They are too weak to participate in competition.	C1	-1
May 14	Dienas bizness	Krīze ir tikai normāla krievijas ikdiena About constitutional crisis in Russia - it is viewed differently in different regions - Russia itself, Baltic states and Western Europe.	C1	0
January 4	Dienas bizness	Mantinieks bez rietumu piegaršas About V.Putin as a new president of Russia.	C1	0
January 24	Dienas bizness	Sērga izplatās There is a crisis in legal system. Legal system should be more democratic.	C1	+1
February 3	Dienas bizness	Vai Briselei patiks Latvijas nacionālisti? EU should not intervene in the processes of the country - Austria and freedom Party.	C1	+1
February 16	Dienas bizness	Valdība izsaka neuzticību vēlētajiem Latvian government often supports democratic ideas, like, appointment (not elections) of local governors.	C1	+1
June 18	Dienas bizness	Izglītības Staļinisms Educational system in Latvia should be improved in general and there should be more order with graduating exams.	C1	+1
January 12	Dienas bizness	Bez bezjādīgām reformām nevaram Every reforms should be done with great deliberation, not in rush. School reforms should not be introduced, because they are made in a big rush, inconsiderably.	C1	-1
February 21	Dienas bizness	Pašradīti šķēršļi Government should solve already existing problems, not introduce new unconsidered laws and rules, which cause new problems and make new barriers. Any reforms should be deliberate and qualitative.	C1	-1
April 23	Jaunā Avīze	Prezidents vai premjers? Coming presidential elections.	C1	0
January 3	NRA	Skaisti aiziet	C1	0

		Comment on Jelcin's resign and next possible president in Russia.		
April 6	NRA	Ripo, riepiņ, vadi mūs. Government has no clear foreign policy. It requires that people think like they do. Democracy is limited.	C1	+1
January 10	Jaunā Avīze	Piemineklis represētajiem Latvia should show dignity to people who suffered from Stalin's terror and were sent to Siberia work camps. The monument to people who died in Siberia should be financed from state budget and donations.	C1	+1
March 3	Diena	Pārmaiņas Rīgā Riga municipality should take into account public opinion when some new objects are made, destroyed, reconstructed or renamed.	C10	+1
April 19	Dienas bizness	Jāuzklausā ne tikai Ventspils. Only one (but very influential) local representative has been invited to governmental meeting. All representatives should have right to attend and talk in these meetings.	C10	+1
April 20	Dienas bizness	Sīkumi krājas Council of Riga should pay more attention to public opinion and then make decisions.	C10	+1
April 22	Jaunā Avīze	Mūmijas intīmā dzīve Critique of the law of language. The law should be more flexible	C10	+1
April 1	Diena	Šķiļas krīze Critique of existing government, their policies, their conflicts.	C11	+1
April 9	Diena	Kurā kolonnā? Criticism of relations between Russia and Latvia. Lack of strong foreign policy in Latvia.	C11	+1
April 29	Diena	Vadža valdība The government should solve problems in country, not to think about the possible political posts.	C11	+1
May 15	Diena	Ešafoti Jeļcinam un Domei gatavi Impeachment procedure of the Russia's president B.Jelcin.	C11	0
May 17	Diena	Kremlim ir tikai atbildes varianti Conflicts between president and parliament in Russia. Possible outcomes of president's or government's resign.	C11	+1

June 21	Diena	Jeļcins grib izlīgt B.Jelcin wants to maintain good relations with Western organisations.	C11	+1
June 28	Diena	Latvijas ceļš pirms 8.jūlija Political parties should find compromise for governmental coalition in order to continue development of the country.	C11	+1
January 10	Diena	Mūsu politiskā nolemība There are too many unresolved issues in our country and there are too many political scandals.	C11	+1
February 2	Diena	Komisāru agonija Absurd of pedophilia scandal. The work of parliamentary investigation commission has proved to be useless and without any result. It leads to think about political blackmail.	C11	0
February 10	Diena	Mākslīgā elpināšana The parliamentary investigation commission on Pedophilia scandal has got any proves, although they are very interested in finding them. It indicates political conflicts among parties.	C11	+1
February 18	Diena	Pēdējais cēliens: augonis ir pušu Provocation of pedophilia scandal has finished with no real results.	C11	+1
March 9	Diena	"Huligānu" neizdevušies svētki Critique of one of the parties in the government <i>TB/LNNK</i> , which opinion is always very non-persistent and sometimes even opposed to government's.	C11	0
June 3	Diena	Tēvzemes atdošana Party's <i>TB/LNNK</i> works are different from their announced ideas and programs.	C11	+1
June 3	Dienas bizness	Latvenergo vēl nav gatavs Privatisation should not be privilege to only few interest groups. It should be accessible to everyone.	C11	+1
March 13	Dienas bizness	Latvijas islamizācija Electricity tax is announced as donation for building new National Library, but donations are usually volunteer. Electricity tax should not be introduced also, because it will affect poor people – poor people use electricity for heating and cooking, but rich use gas.	C11	+1
May 5	Dienas bizness	Dažiem demokrātija ir savvērestība	C11	+1

		Conflicts between position and opposition in the parliament. All conflicts should be solved in democratic way.		
May 19	Dienas bizness	Prezidenta vēlēšanas ieiet finiša taisnē About president elections. President should be 'compromise' person, the one whom supports all parties.	C11	+1
May 24	Dienas bizness	Jocīgā alianse Political games and propaganda against Latvia before presidential elections in Russia. Opposition in Latvia uses this situation in order to realise their interests. Politicians should be unitary in such situation	C11	+1
June 21	Dienas bizness	Būs vai nebūs jauna valdība? Parties should find consensus when striving for any problem.	C11	+1
June 22	Dienas bizness	Kur trīs ir, turceturtais lieks About intrigues in the government and its coalition.	C11	+1
June 29	Dienas bizness	Karstā vasara Debates about "crisis of the government".	C11	0
June 30	Dienas bizness	Igaunija - atkal mums priekšā Government should acknowledge its crisis, and it should make decision.	C11	+1
March 28	Dienas bizness	V. Putins – Laimes lācis Discussion about how V.Putin's election as a president will change Russia's economy and politics and what will be Russian-Latvian relations. There won't be radical changes.	C11	+1
January 20	Dienas bizness	Kauns ārlietu ministram Foreign minister should be strong in his position and defend interests of Latvia (case with Czech Republic).	C11	+1
February 25	Dienas bizness	Nevienlīdzīga cīņa The biggest enterprises have sponsored the biggest parties, thus the small parties are out of the equal game.	C11	+1
April 1	Jaunā Avīze	Gandrīz kautiņš. Critique of the conflicts in the government. Government should agree on the possible position already before making coalition.	C11	+1
April 8	Jaunā Avīze	Mīkla ar vairākiem atminējumiem.	C11	+1

		About governmental coalition. Is government stable?		
April 26	Jaunā Avīze	Karaļa galdā celtā zivs sāk bojāties Conflicts in the coalition of the government.	C11	+1
May 19	Jaunā Avīze	Režisoru saiets Presidential elections. In current situation none of the president candidates can receive the necessary votes. Parties should look for compromise.	C11	+1
May 21	Jaunā Avīze	Saeima pauž uzticību Krištopānam Parliament has demonstrated its unity, when voting for the government.	C11	+1
May 25	Jaunā Avīze	Darbs, kurš būs veltīts tautas labumam Elections of president. Parties are interested in president who is convenient for their interests. they should look for president who will be good for everyone.	C11	+1
June 18	Jaunā Avīze	Bez piecām minūtēm prezidentē Review of process of presidential elections. Conflicts among parties for their candidates.	C11	+1
June 21	Jaunā Avīze	Partijas var nākt un iet - valsts paliek Politicians should find common language, not to be involved in conflicts.	C11	+1
June 22	Jaunā Avīze	Valdība līdz rudenim var strādāt mierīgi With election of new president, there could approach crisis of the government.	C11	0
January 21	Jaunā Avīze	Deputāti kaunina Krieviju Latvian parliament decries Russia's politics in Chechnya. This official position has increased Russia's intolerance towards Latvia.	C11	0
January 25	Jaunā Avīze	Saeima pret prokuratūru About conflicts between legislative and judicial powers. There should be new law of Prosecution.	C11	+1
March 22	Jaunā Avīze	Latvija gatavojas karam Russia wants to introduce economic sanctions in Latvia. It also indicates Russia's political interests here.	C11	0
March 27	Jaunā Avīze	Uzbrukumu taktika ataisnojas Comment on correlation between political scandals initiated by parties and increased public support to these parties.	C11	0
April 8	Lauku Avīze	Vietējā mēroga zemestrīce	C11	+1

		Criticism of the work of the government.		
May 13	Lauku Avīze	Politiska smirdoņa Conflicts among the parties in the governmental coalition reveal interests of each politician.	C11	+1
June 22	Lauku Avīze	Tas jaunais laiks? The new president is the person we need - intellectual, with logical thinking and independent from parties.	C11	+1
June 29	Lauku Avīze	Partiju nevar celt pāri valstij Parties should think more about development of country and try to find compromise in significant issues.	C11	+1
January 25	Lauku Avīze	Spitālīgo vairs politikā nebūs Activity of political scandals is because of coming local governments' elections.	C11	+1
February 19	Lauku Avīze	Dubļu kalna virsotnē Discussion on pedophilia scandal in the parliament. It is too politicised issue.	C11	0
February 22	Lauku Avīze	Šāviens naktī Absurd of the conflicts between parties about power, about resign of the government.	C11	+1
March 4	Lauku Avīze	Nē, dzīve nav tik gluda Interview with prime minister where he talks about conflicts and problems in government.	C11	+1
April 24	NRA	Zemdeķa Latvijā. Conflicts in majority government and absurd of its decisions.	C11	0
April 28	NRA	Krievijas vecmeitas sindroms. Relations between Russia and NATO and its attitude towards Baltic States, which want to be members of NATO. Latvia should not be so optimistic about NATO and at the same time should not irritate Russia.	C11	0
April 29	NRA	Pļāpu maģija. Conflicts in the government, talks about its weakness.	C11	+1
May 3	NRA	Kritušus lauvās domē neciena Fights of political parties for posts in Council of Riga	C11	0
May 13	NRA	Valdība nesabruks Conflicts in government about position of Minister of Economy, which can cause resign of all government.	C11	+1

May 15	NRA	Politiskais kikkokss Political problems in Latvia and conflicts in government.	C11	0
June 12	NRA	Robotu par prezidentu Discussion about the ideal candidate for president. No one can be ideal.	C11	+1
June 14	NRA	Prezidentālās krīzes priekšnojautās Discussion on presidential elections. President does not have the most important role in the politics, because Latvia is a parliamentary republic. President should be a neutral person.	C11	+1
June 17	NRA	Politiskās liekulības tirgus Comment on the presidential elections. Politicians should find compromise.	C11	+1
June 18	NRA	Inventarizācija politiskajā bodītē Political conflicts among parties in issue about president.	C11	0
June 19	NRA	Parlamenta veļas diena Political conflicts among parties in issue about president.	C11	0
January 19	NRA	Pumpainie meklējas Conflicts of the governing parties. Governmental coalition is approaching instability and crisis.	C11	0
January 24	NRA	Valdībai patīk labils stāvoklis Conflicts in the governmental coalition.	C11	+1
January 26	NRA	Bez vainas vainīgie Latvian parliament should think more about domestic problems, not to intervene in Russia's policy (war in Chechnya). This action can cause negative attitude towards Latvia.	C11	+1
February 17	NRA	NATO un Krievija pošas atkusnim Relations between NATO and Russia has become worse because of bombing in Kosovo and war in Chechnya, but NATO is very much interested to improve relations with nuclear superpower Russia.	C11	+1
February 22	NRA	Eksprezidents joprojām slimīgs President of Russia presents his negative attitude towards Latvia's politics in the letter where he also refuses Order granted to him by Latvian government. There have always been tensions between Russia and Baltic States.	C11	0
March 9	NRA	Pret ko draudzēsīmies Conflicts and friendship among parties in government and parliament.	C11	0

March 14	NRA	Kaujoties grūti sargāt kabatas Politicians should think about society, not only about getting influential posts. Society is losing confidence in their representatives. There are too many conflicts and scandals among parties.	C11	+1
March 15	NRA	Labējo sociāku bankrots The current conflicts among parties in governmental coalition reveals that this government is not able to work together any more.	C11	-1
